Master of Accounting (MAcc), STEM-designated

CPA education plan: 150 total credit hours expected by May 2027

Ann Arbor, MI

Expected May 2027

The University of Texas at Austin

Bachelor's Degree in Economics

Austin, TX

Dec 2025

RELEVANT EXPERIENCE

KPMG Huazhen LLP (KPMG China)

Audit Intern

Beijing, China

Jul 2024 - Aug 2024

- Vouched transactions and reconciled client-prepared Excel schedules to supporting records across two audit engagements, including an IPO audit for a digital-twin technology company.
- Tracked corporate information for 3,000+ companies and processed 28,000+ records in Excel to support audit work.
- Built a Python web-scraping workflow to consolidate counterparty information in Excel. Shared it with the engagement manager and fellow interns, who adopted it to reduce repetitive manual lookups.

Critical Data Studies Lab, UT Austin

Undergraduate Research Assistant | SIM Card Archive

Austin, TX

2024

- Used OCR to digitize SIM-card text and numerical identifiers into structured Excel records for a research archive.
- Standardized extracted data and entered records into the SIM Card Archive database, supporting long-term preservation and access for mobile-technology research.

ADDITIONAL EXPERIENCE

Ivy Academy LLC

Consulting Intern (part-time, remote)

Los Angeles, CA

Summers 2023 - 2025

- Advised prospective students on studying in the United States, drawing on firsthand academic and cross-cultural experience to provide practical guidance.

Dentons Law Offices

Legal Assistant Intern

Anhui, China

Jun 2023 - Aug 2023

- Organized case files and reviewed supporting materials for attorneys handling financial and property disputes.

The University of Texas at Austin

Student Assistant | Administrative Support

Austin, TX

Sep 2022 - Dec 2022

- Handled departmental inquiries, collected required information, and supported registration and day-to-day administrative operations.

CAMPUS INVOLVEMENT

Chinese Undergraduate Student Association, UT Austin

Fundraising & Sponsorship Outreach

Austin, TX

- Pitched sponsorship opportunities by phone to external organizations for cultural events, including a Mid-Autumn Festival celebration.

SKILLS

Technical: Excel (reconciliation, data preparation); Python (web scraping); Stata; OCR tools
